

# AMERICAN CUISINE

**What comes to your mind when you think about “American Cuisine?”**

**Do you think pizza?**

**Hamburgers?**

**Guess again!**

**Both of those foods were invented elsewhere, and adopted by food-loving Americans.**

**Have you ever heard of Jambalaya?**

**How about Cracker Jacks?**

**Come learn about real American food from the Consulate’s own “hobby cook” and “foodie,” Consular Chief Ted Coley on Friday, April 6, 2012; 2:00 P.M., at The American Center, 8<sup>th</sup> Floor, Diamond Plaza, 34 Le Duan Blvd., District 1, HCMC.**

**Don’t miss it!**
